

## Hearing God

The Lord said, 'Man shall live by every word that proceeds out of the mouth of God'. It then follows: God is a God who speaks; our inner man can live only hearing God.

Now, reading the scripture and hearing God is not the same.

The scripture truly profits, only when it turns a personal Word for us from God. That is, the written word has to become *active, living and personally uttered* to our spirit.

Hence, it is most essential to develop the habit of listening to God.

Further, it is vital to have a treasury of the scriptures in our minds that the Spirit can quote of it and utter to us that we act by it, in the diverse situations of life.

Yes, hearing from God and obeying it we live! And, not to hear from God is spiritual starvation!
